

PIEPS Sport Avy Safety Set

This set includes the necessities for anyone from seasoned backcountry skiers to someone taking their Avalanche 101 class. The PIEPS DSP Sport Beacon features a large, circular search radius and three antennas for pinpoint accuracy. A Transfer 3 Shovel packs small to take up little pack space and extends with the quick pull of a handle. This kit also includes the fast, durable QuickDraw Tour 280 cm Probe for use in anything from measuring test pits to performing fine searches in a rescue.
